

# PRO 370

## GIVE YOUR CLUB THE OCTANE ADVANTAGE

Now commercial fitness facilities can offer exceptional Octane quality with the new Pro370. Packed with features on a brand new platform, the Pro370 delivers the ultimate in upperbody conditioning. Thanks to its exclusive Converging Path™ and MultiGrip handlebars, exercisers enjoy a smoother, more natural motion for added comfort and resounding results.

The Pro370 is also loaded with performance features like a comfortable 20.5" stride length and digital contact heart rate sensors on the moving handlebars. Also your members will enjoy effective workouts thanks to a simple-to-use console.

Octane's whisper-quiet operation and rock-solid durability make the Pro370 a premium enhancement for your facility.
